

FREDERICK BEEBLY  
Named President

## Singers Install Officers

Six prominent area residents will be installed Saturday in offices to which they were recently elected by the South Bay Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc. (SPEBSQSA), better known in the local area as "South Bay Barbershoppers."

Taking office as president of the chapter is Frederick Beebly of Inglewood, advancing from his prior position as administrative vice president. Beebly is a motion picture writer and producer with the USAF 1352nd Photographic Group in Inglewood.

Also being installed will be Paul Matthies, administrative vice president, a Hermosa Beach businessman and County Life-guard. Joseph Salz of Torrance will be installed as program vice president. Salz is manager of the VA Federal Credit Union at Sawtelle. The offices of secretary and treasurer will be occupied by Douglas Reese of Manhattan Beach and Albert Ewalt of Wilmington.

Maintaining his perpetual position as editor of the chapter bulletin will be Robert Northrup of Hermosa Beach.

The annual installation banquet will be held at Daniel's Restaurant, Western Avenue at 120th Street, and will feature entertainment by the current district champion quartet, the "Gaslight Harmony Four" from Arcadia. Installing officer will be Jack Hines of Placentia, chairman of contests and judging for the Far Western district of the society.

The South Bay Chapter meets regularly every Monday at 8 p.m. in the cafeteria at Meadows Elementary School, 1200 Meadows Ave., Manhattan Beach.

**EFFICIENCY!**  
The United States has 2,266 million acres or land in 50 states, and all the farmsteads could fit 4 per cent of our total land area.

# Continuing Search Red Cross Seeks Missing Persons

Nine people who are being sought by relatives abroad are the object of a search by Red Cross in the Los Angeles area.

The dislocation of people due to changing world conditions has long been a concern of Red Cross. Wars, revolutions, immigration waves and natural disasters all have accounted for families losing touch.

In Los Angeles, growth, job mobility and even freeway building have been added reasons for moves unreported to relatives overseas who now seek to find a family member.

LOS ANGELES chapter of the American Red Cross cooperates with the International Committee of the Red Cross in a program known as the Foreign Location Inquiry service. Each year approximately 150 inquiries come to the chapter.

Many people can be found by the routine check of public directories and public records, but others are not so readily found, according to Mrs. Roger Hoff-

mann, who is volunteer chairman of the Los Angeles Red Cross advisory committee concerned with the Foreign Location Inquiry service.

At the close of 1968, the chapter had on hand nine inquiries that defy location. Anyone who knows the whereabouts of the persons listed below should call American Red Cross Family service at 384-5261, extension 328.

### THE UNLOCATED persons are:

- Greforia Abramian, about 48, who was born in Armenia, Russia, and lived in Los Angeles in 1948;

- Luis Barretto, who left the Philippines in July, 1967, and was last heard from when in the Los Angeles area;

- Mikhail Nikolayevich Nadiak or Nadiak born in 1886, and his two children, Leon and Yelena Mikhailovich, who emigrated to the United States in 1914;

- Lucyna Olekiewicz, nee Dzireicka, born Dec. 25, 1904 in Chotcza, who lived in Los Angeles in 1950;

- Pal Pilcsik, a locksmith, born Dec. 26, 1939 in Hungary;

- Janos Pisch, a Hungarian, who formerly resided in Orange and moved to the Los Angeles area in 1965;

- Mikhail Romanov, born in 1899, last known to live here in 1938;

- Irving Khaimovich, born in 1908 in Russia, and Moris Khaimovich Rosen, last known to live in this area in 1939;

- Janos Schreiner, born Feb. 18, 1927 in Hungary, and last known to live in Los Angeles in 1961.

ANY OF these persons who do not wish to resume communication with families abroad may state their wishes to Red Cross Family Service and no information will be forwarded to the International Committee of the Red Cross (ICRC) for the inquiring relatives.

# Record Year Predicted For Local Paint Firm

Standard Brands Paint Co. in approximately 13.5 per cent over the fiscal year ending Sept. 30, 1969, should achieve record-breaking sales and profits for the 22nd consecutive year, President Sid Breenberg told shareholders at the annual meeting here last week.

In action at the meeting, the shareholders cleared the way for a previously announced 2-for-1 stock split by approving an increase in authorized common shares from 2 to 5 million. The split will become effective today. There are currently 1,269,627 shares outstanding. The shareholders also authorized the creation of a class of preference stock of 1 million shares.

Greenberg told shareholders the company is off to an excellent start in the current fiscal year with sales for the first quarter ended Dec. 31, 1968, up

# Sex Education Class Set By University Extension

Building of positive attitudes towards sex in childhood and adolescence both at home and at school will be the emphasis of a UCLA Extension course, "Sex and Family Life Education," Saturday and Sunday, Jan. 18 and 19 and Feb. 15 and 16, at the Plush Horse Inn.

The three-unit class is being offered in this area for the first time. The fee is \$55. Further information is available by writing P.O. Box 24902, Education Extension, University of California, Los Angeles 90024.

Dr. Joseph L. Philbrick, associate professor of psychology at California State Polytechnic College, will teach the course, covering sexual development and associated problems from kindergarten through college and into marriage. The problems of homosexuality, pre-marital and extra-marital relations and modern contraception will also be discussed.
